ICE ICE BREAKERS

TableTopics Conversation Starters transform ho-hum cocktail party chitchat and family dinner conversations into fascinating pillow talk. The cubes are filled with cards, each with a different question. They are fun, thought-provoking and guaranteed to propel your conversations to new heights. Discover something new about your family, friends and even yourself! Choose from Original, Couples, Girls Night Out, Kids, Travel, Wine, Spirit, Book Club and many more. TableTopics.com

MANSFIELD NEXT TO THE PARK

In the heart of New York City — and in one of the City's preservation districts — sits the 126-room Mansfield Hotel, sparkling after completing a 12-month restoration. Formerly home to wealthy socialites and luminaries such as John Butler Yeats and Max von Gerlach and the rumored inspiration for *The Great Gatsby*, the Mansfield exudes a classic New York feel while boasting contemporary conveniences. Oval staircases with wrought iron balustrades, terrazzo floors and the Grand Lobby's 16-foot ceilings demonstrate a careful craftsmanship throughout the hotel while the impressive list of amenities and services will woo any discerning traveler. OLE! OLE!

Tired of falling back on the same old recipes? Impress that new beau or wow your girlfriends at the next girls pot luck dinner with delectable Spanish tapas. *1080 Recetas de Cocina*, Spain's bestselling cookbook for more than 30 years, is now available stateside. Translated into English and published in the United States as *1080 RECIPES* (Phaidon Press), it is chock full with 1,080 recipes and more than 100 specially commissioned photographs. The new English edition is designed and illustrated by famous Spanish graphic designer Javier Mariscal and features an introduction by superstar Spanish chef Ferran Adrià. The easy-to-follow recipes cover just about every dish from all of Spain's diverse regions, including tortillas, paella, gazpacho, churros, flan and more. *1080 RECIPES* also features menu plans from celebrated Spanish and American chefs such as José Andrés, Andy Nusser and Alexandra Raij, cooking tips and a glossary of terms and ingredients. *Ole! Ole!* Phaidon.com
